A Holiday Greeting

I want to thank all of you who supported our service learning projects this month. Families at North Penn contributed non-perishable food items to the Pennfield Lions Club Can Food Drive, made blankets (2nd grade), put together trail mix (1st grade) and gathered travel size personal care items (kindergarten) for S.A.F.E. Place and the Haven of Rest in Battle Creek. Throughout these projects teachers talked to students about how significant it is to give to others. Thank you for teaching your children compassion, generosity and kindness. During this time of giving, it is gratifying to see so much giving, to those who are so greatly in need. It is an inspiration to witness, and an honor for me to be a part of. I would like to personally wish all of the families and staff at North Penn Elementary, a joyous and safe holiday season.
Enjoy your family, friends and those cherished times.

Mr. Hall, Principal

The Gift of Reading

During this season of giving, we as a staff at North Penn reflect on how blessed we feel by the generosity of the parents of our students. Each year our staff members are touched by the appreciation shown to us through the many gifts and tokens of appreciation.

This year we would like to focus giving on our students; the reason that we all do what we do. If you are considering giving a gift to a staff member or your child's teacher, please consider the gift of reading by making a book donation (from any book store, books for beginning readers Pre-K thru 1st Grade) to your child's classroom and into the hands of your children here at North Penn.

We thank you for considering this act of giving and are happy to give it back to our students, providing them with the life-long gift of reading!
