

Appendix C

Agreement for School Internet Access and Technology Use For Students in Grades 4 – 8 Pennfield Schools

- Use of school computers and connection to the Internet is only for schoolwork-
- Using the Internet and technology in school is a privilege for the following purposes:
 - Students will attain higher levels of academic achievement.
 - Students will demonstrate a higher level of technology literacy.
 - Students will be more engaged in their daily educational experience.
 - Students will be more prepared for the requirements of high school, college and the workforce.
 - Students will be able to use technology for more inquiry-based, student-centered instruction.
- Any misuse of the equipment or Internet access will fall under the guidelines of the student handbook. Consequences may range from a warning to a suspension.

I agree to follow these rules:

1. The following actions are NOT ALLOWED, and students will face disciplinary action.
 - a) Getting into someone else's file.
 - b) Copying or deleting files or software.
 - c) Using or sharing ID's or passwords.
 - d) Breaking into files or systems.
 - e) Keeping another student or a teacher from doing work.
 - f) Making, reading, or sending inappropriate files.
 - g) Using school technology to buy, sell, trade, or advertise.
 - h) Sending or displaying offensive messages or pictures
 - i) Harassing, insulting, bullying or attacking others
 - j) Any other behavior deemed inappropriate by the School District
 - k) Using technology to damage the school's equipment. This includes but is not limited to
 - Doing anything that brings a virus into school equipment.
 - Purposely destroying hardware, software, or information.
 - Trying to learn or use other people's passwords or identification.
 - Sharing my own password.
2. I will only use technology my teachers have taught me.
3. I will have to pay for any damages I have caused.
4. The school's technology is only for people who are registered to use it, and I am responsible for my own account and password and/or privileges.
5. The school's technology may not always meet my needs, and it may not always work.
6. The school will not be responsible for lost data or time or harm caused by me or to me because I did not follow directions or because I did not know how to use the system.
7. The school has the right to check anything I do on school equipment.
8. Students may use only District authorized e-mail. Such e-mail accounts shall be used only for the District's educational purposes.

Revised: July, 2008
