

## **Appendix B**

### **Agreement for School Internet Access and Technology Use** *For Students in Grades K – 3* *Pennfield Schools*

- I will work with the technology and the District network only with or with permission from a teacher or a teacher's aide.
- I will use the technology and the District network only for schoolwork.
- I will treat all technology equipment and the work of others with respect.
- If I damage equipment or cause problems on purpose, I will be disciplined.
- I will never use technology to send or create inappropriate pictures, bullying, be mean to others or any other reason I know is wrong.
- I will only use the technology in ways my teacher or teacher's aides have said are appropriate.
- I have had proper use of technology and the Internet explained to me.
- I will follow these rules and any other rules that may be added by the school. If I do not, I may be disciplined.
